The Knights of Columbus, Father Patrick Power Council #4588, Livermore, CA

GRAND KNIGHT'S MESSAGE

My Brother Knights,

Thank you for electing me your Grand Knight. Thank you also to those brothers who have volunteered to serve with me as fellow officers and program directors for the 2009-2010 Columbian year. We will strive to continue the good works of this council, and to continue to grow the council. Our Council's work was recognized at the State Convention with a long list of awards. We must remember that these awards are not just a result of the work from 2008-2009, but also reflect on the work of the brothers who preceded us. They provided the skills, knowledge, hands, and resources to do these events.

It is important to show by our deeds, not just our words that we represent the ideals set forth by Father McGivney. We have new activities coming that go beyond parish support. Our increasing visibility in the parish and city should be an asset for recruiting.

It is also important that we enjoy what we do. I am initiating a family picnic for late this summer because we are a fraternal organization, and every event does not have to be a fundraiser. Also, since sitting in formal meetings can be less than joyful, I have a goal, as my predecessors did, to shorten the meetings. The formal meeting is to present information to the Council, and initiate new business. The informal gatherings, before and after the formal meeting, are an important part of our agenda. The socializing before and after the meeting is where friendships are formed, ideas are exchanged and vetted, and a lot of the details of our activities are worked out. Those of you who may not have attended for some time should consider renewing your participation.

Fraternally,

*Vaughn Brugman
Grand Knight*

Message from the Financial Secretary

Brother Knights,

Let me first say thank you to those knights who served in council leadership positions over the past Fraternal Year. It was a pleasure serving the membership and community with you all. And, to those of you who were involved with and supported the numerous programs we had this last year, I congratulate you for a job well done. We would never have had such a great year as we did without all of the hard work that all of you put in. You are all worthy of being called Knights.

Sadly, however, at this point it looks like we are going to lose a few Knights on July 1st because of non-payment of dues. The retention committee and I have exhausted all options in dealing with these delinquent knights. Unfortunately, like last year, this is really going to challenge our membership committee for next year. I cannot stress enough how important it is for each of you to keep your membership status current and stay active in the council. Remember the words spoken to you at your First Degree. If you don't remember, then attend a First Degree again and listen carefully.

Looking forward, I congratulate the new officers and program directors for accepting the challenge of leadership. And, for those of you who decided to hang around for another year, I salute you and look forward to working with you again. I hope, under the guidance of the Holy Spirit, we can all work together effectively and have another successful year serving our community.

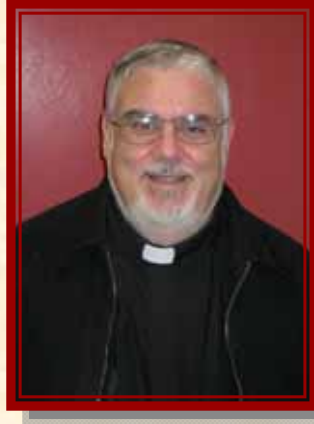

Fraternally Yours,

Christopher Carrano

Financial Secretary

Program Directors Report

Brothers,

As this Columbian Year comes to a close, I want to congratulate all of the directors for an outstanding year! You should be proud of your accomplishments and the awards the council won! I also want to thank all of the "die hards" who gave many hours of service to support our council's events. A few of our brothers worked almost EVERY EVENT! Thanks also go out to Chuck Harding for lugging his sound system to nearly every event. The silent workers, the Squires, under the leadership of Tony Lucero, proved to be a valuable asset during our food events. At many events, we would have been well understaffed if it wasn't for these young men donating their time. Last but not least we cannot forget the many hours our ladies have given to our events – THANK YOU!

The last breakfast run by Richard Gandolfo to support our Veterans' Programs, was a great success! Thanks again to all that helped. It was very refreshing to see many new Knights come out and help. On another note, the service teams were formed to not only get help from the new Knights but to give them and their families the opportunity to meet other Knights and socialize. Socialization of events will be our main focus this next Columbian year.

Our council is once again getting involved as a vendor that the Livermore Old Fashioned 4th of July Celebration at Robertson Park. Joe "Brown Shoe" Revolinsky" will be coordinating this event. We will be selling nachos and ice cream. This is a great opportunity for our council to raise funds to support our church, council and community. Events such as this can allow us to make more money and possibly cut down on the number of food events we have each year. For this to happen we need your help! We will begin setting up at 12:00 noon and end after the fireworks show. If you and your family (kids welcome!) want to donate an hour or two please contact Joe at 449-3096.

Remember - Time and Talent (T&T) is the backbone of the Knights!

Yours in Christ,

Ed Foust

Programs Director

Newsletter Editor Report

This is an abbreviated version of the monthly newsletter, due to the months of June and July typically being when the members of the council spend time with their families, going on vacations, going to the beach, etc. Also, June is the last month of the Columbian year, and the new Columbian year, starting in July, creates a lot of additional work for your humble newsletter editor. I have the officers' information to update, as well as overseeing the updating of the website information on the officers. There are the email address forwarders to bring up to date, and the Kof-C4588Officers group at Yahoo to change over. The August KnightNews will be a full content version but there are changes brewing in both the council website and the

KnightNews that promise to make both communications tools more useful for the council members, officers, and directors. Stay tuned.
