

K NIGHT NEWS February 2012

The Knights of Columbus, Father Patrick Power Council #4588, Livermore, CA

All the news that fits.

It is football playoff time! We have squares available for the Super Bowl. Call me (510-673-3513) or email me at Charles.bellavia@comcast.net. The World Series was fun for the participants. Do miss out on being part of this. Each quarter's winner gets \$200 and the final score winner receives \$400. Squares are \$20 each.

The officer slate is being prepared for next Columbian year. A number of our brothers have stepped forward. We would like to see more widespread involvement for next year.

The Crab Feed was successful. Thank you to all who contributed through donations and volunteering. Next big event is the Rib Cook-off and Antique Car Show in May. Planning continues for the Living Bethlehem event December 13th through 17th. This is a major new event which has the guidance and support of our pastor and the City of Livermore.

It is amazing what this Council is accomplishing. A tip of the hat to each of you.

Chuck Bellavia
Deputy Grand Knight

Our Council account balance has taken a healthy jump due to the outstanding success of the annual crab feed on January 7th. There are still some expenses to cover and refund of security deposit to account for, but so far, the income was roughly \$30K with expenses of \$14K, leaving us a net of somewhere near \$16K! I believe that the combination of the auctions with the ability to take credit cards was a big contributor to our success.

Our accounts have increased over \$10K from the July 1, 2011 start of the Columbian year through January 15th, 2012. Without

the great success of the crab feed, this would be a big negative. Great job!

I look forward to council discussions of ways we can use this money for meaningful charitable contributions to our community. I have seen a few ideas floated in some e-mail discussions and I ask that all members **with ideas bring them up at the officer's** and business meetings for discussion.

Of course, there is no rest for the weary. Now that the crab feed is behind us and **we've had a few days of rest, it is time to** start having fun with the Spring Event. J

Fraternally Yours,

Joseph Hohl
Treasurer

Brother Henry Yatsko PGK wife June recently passed. A sympathy card was sent to their family. Please keep them in your prayers.

2012 Crab Feed Success!!

Congratulations on what has turned out to be one of the most successful Crab Feeds ever.

Thanks to all who volunteered their time and talents in making this event so very successful!

From planning meetings to the quest for donations items to staffing for the evening, the 2012 Crab Feed event was a total win!!! Brother Larry Catipon and Brothers Dennis Lundbom took on the responsibilities for sourcing and collecting donations and staffing the event. For all the displaying of the auction and raffle items as well as the check

out process of same, thanks to Sister Patty Conley and Sister Suzanne Gutierrez. Sister Mary Jean Aufderheide did her usual splendid job of coordinating the youth servers. Marvelous job done by all!!

In talking to most all who attended, the satisfaction level was high, the crab was excellent and the auction items very popular. **This year's Officer/Director/Trustee** baskets were well received with some higher bids for those in the Silent or Live Auction.

The introduction of the Live Auction with **many new donated items took this year's event "Over the Top"**. Brother Barry Buckett and Brother Andre Miron handled the auctioneering in a fine manner. Number crunching is still going on, but this single part of the event cleared over \$6,000! Many great comments were heard on how much everyone enjoyed the Live Auction.

My deepest thanks to all the Brothers and spouses who pulled together to make this the success it was.

Mark Duguid
Council Director

Men's Evening of Recollection

A great option is available to you when you need a **time out from today's busy world**. On the 3rd Tuesday of every month, St. Isidore's parish hosts the priests of Opus Dei for a men's evening of recollection.

There is no need for reservations, and there is no cost.

The evening starts at 7:15 with a reading and talk by a priest, with simultaneous opportunity for confession. There is a lesson by a layman, and a second priest speaks.

Message from the Financial Secretary

Brother Knights,

The transition from Don to me as your Financial Secretary is going smoothly, beginning with my first duty of successfully establishing my access to the Financial and Membership system. Bills are paid, money deposited in bank account, and membership records at Supreme are up to date. We are in good standing at Supreme.

There are two reports that need to be completed by February: the annual report of fraternal activities that is due by 1/31/12 and the semi-annual audit that is due 2/15/12, both of which will have been completed by the time you read this.

You have already received your 2012 membership dues billing. Thank you to those that have already paid!!!! With Don's assistance, we are current on processing the payments.

I ENCOURAGE YOU TO GET YOUR 2012 MEMBERSHIP DUES PAYMENT AS SOON AS YOU CAN, THAT WILL REALLY HELP **WITH THE COUNCIL'S CASH FLOW.**

I want to thank Don Humphrey for helping me during this period of transition, and I know I have some big shoes to fill. Since I am new to this council, I will share a little about me and my family in this newsletter; I hope you do not mind.

I am married to Mary, my wife of 38 years, and we have two wonderful children, Jeff and Carrie, who are both married. My son Jeff and his wife, Carol has blessed us with two granddaughters – Giselle, and Estella. Stay tuned for more – it gets better.

Fraternally Yours,
Chuck McGraw
 Financial Secretary

Chaplain Commentary

Dear Brother Knights and families,

A recent first reading that was from the Book of Deuteronomy reminds us that Moses spoke to the people, saying: **“A prophet like me will the Lord, your God, raise up from among your own kin; to him shall you listen” (Deuteronomy 18:15).** The prophets, as we know them, do not appear until after the time of the Judges. Re-member that Samuel was the last of the Judges and the first of the Prophets. This was centuries after Moses and about one thousand years before Christ. We have come to understand that Jesus is that prophet of which Moses is speaking.

Most of us have come to understand that prophecy is about pre-dicting events. Often this is true, but **the office of Prophet grew up with the office of King. The prophet’s office came about because the people could not stand to have direct communication with God. The king’s office came about because the people re-jected God as their king.** These functions were put into the hands of human beings.

For the greatest part of history prophets have spoken God’s words before the face of the king and before the face of the peo-ple. Sometimes the words were not popular. Those who marched in the **Walk for Life last week were fulfilling the pro-phetic office by speaking God’s truth about the sanctity of life before a hostile world.**

About two months ago we gave you the opportunity to sign up for the catholic Legislative Network. The network is there to call our attention to important moral issues.

I share with you this message from Fr. Dan Danielson: “Those of you, who signed up two months ago, to receive the weekly Friday afternoon newsletter from the California Legislative Net-work, should by now be receiving it. If in fact this is not the case, please first check your SPAM folder, as automatic filter systems sometimes place this publication in there. If you do not find it there, then the data entry people could not read your e- mail address. You can register on line at www.cacatholic.org.”

May God continue to bless you,

Fr. Bob Mendonça

GRAND Knight's MESSAGE

Dear Brothers,

As the 2011-2012 Columbian Year comes to its half way point it is time to reflect on our accomplishments. This council has reached new heights in involvement, recruitment and fraternity. Each and every one of you in your own way has been a huge contributor to our counsel's success, and for that I applaud you.

As we look to the future in for the remainder of this Columbian year we will face many new challenges which will call for our counsel to be united as one. Keep in mind "Many hands accomplish great things!" Please do not hesitate to pick the phone up and call. My objective stays the same and that is to fulfill your "Aspirations" for being part of our dynamic organization.

Your Worthy Deputy Grand Knight will be looking to fill officer and Director positions for the next Columbian year. Please do not hesitate to contact Chuck Bellavia if you have a desire to be part of the Officer or Director group. "Touching Lives for the Better" has been my focus, being part of our counsel has given me the outlet to achieve this goal. Are YOU "Up For" for an awarding challenge? Call Chuck or myself and we can discuss.

Special thanks to all who were involved in this year's Crab feed, it was a huge success! Let's all look forward to the upcoming Rib Cook off and Car Show. This too will be fun and a rewarding experience.

I end this month's message with a personal thank you to all brothers for your support of our council. I look forward in continuing the success.

God Bless you,

Charity, Unity, Fraternity, Patriotism

The service concludes with benediction at 9:15.

This is an opportunity to have a respite from the overscheduled lives we lead. While the outsiders see the knights serving others, this is an occasion to meet our own spiritual needs.

110th Annual California State Convention News

Plan ahead to attend the California Knights of Columbus State Convention
March 17 - 20, 2012
Marriott - Santa Clara, California
California Knights State Convention 2012

Memorial will recognize Knights of Columbus' longstanding charitable work in Rome

In recognition of the Knights of Columbus' near century of service and dedication to the people of Rome, the City of Rome began construction Dec. 6, 2011 on a square in the Catholic fraternal organization's honor.

The groundbreaking ceremony on the "Largo Cavalieri di Colombo" took place at 1 p.m. at the corner of Viale delle Terme di Caracalla and Via Antonina. Mayor Giovanni Alemanno of Rome officiated, and other dignitaries, including Supreme

Knight Carl Anderson, attended. Msgr. Roger Roensch, Director of the Bishops' Office for United States Visitors to the Vatican, gave a blessing to mark the groundbreaking ceremony.

Later that day, at 6 p.m. a concert was held in the Church of Santa Maria in Aracoeli adjacent to the Campidoglio, featuring the Gospel Choir of St. Thomas More Church in Washington, D.C. in honor of the groundbreaking.

The Knights have been active in a variety of charitable roles in Rome for more than 90 years. **Following the Knights' service to American troops in Rome in World War I,** Pope Benedict XV in 1920 invited the Knights to stay in the city, and to develop **playgrounds for the city's youth, who had few open spaces for exercise in the post-war years.** The Knights did so, and continue to manage and maintain athletic fields, which are free to the young people of Rome.

The work at the playgrounds continued unabated even during World War II, when the United States and Italy were at war. During the war, food delivery to the people of Rome from the Vatican was often coordinated from a K of C athletic field. After the war, **a Knights' athletic field became a distribution point for food to the children of Rome, who suffered food shortages following the war.**

The K of C has also supported the Eternal City in other ways, promoting its cultural and artistic heritage through restorations of Vatican and civic artworks and monuments, and the sponsoring of many renovation projects at **St. Peter's Basilica** – including the restoration of the façade in the 1980s. The Knights has also sponsored a number of Vatican communications initiatives, including several satellite broadcasts each year, and most recently the co-sponsoring with **Sony of the Vatican's acquisition of a mobile high definition television studio.**

"The Knights of Columbus is honored to have been able to serve the people of Rome, its local Church, and the Vatican for nearly a century," said Supreme Knight Carl Anderson. "The friendship between the Knights of Columbus and the City of Rome has overcome the difficulties of distance, language, custom and even war, precisely because it has been based on the virtue so often extolled by Pope Benedict XVI – charity. We hope that this square will be a reminder of the power of the transformative power of Christian charity."
